MainStar®

White Fly Destroyer

2 Spray of **MainStar** is there

Complete relief from white flies there...

MainStar®

Diafenthiuron 50% WP

- ▶ **Mainstar** belongs to the thiourea group. It acts as an insecticide as well as an acaricide.
- ▶ **Mainstar** kills larvae, nymphs and adults by contact and / or stomach action and also shows some ovicidal action.
- ▶ **Mainstar** has broad spectrum activity allowing simultaneous control of sucking insects and mites.
- ▶ **Mainstar** is an inhibitor of mitochondrial respiration & it exhibits translaminar action with vapourizing effect for better insect and mite control.
- ▶ **Mainstar** is selective to beneficial insects & predatory mites. Being a urea derivative it has add on phytotonic effect on the plant.
